Chief,

Here is the plan for the mask distribution.

Personnel from the Office of Operations will be picking up 20,000 cloth masks from EMD tomorrow, between the hours of 1130 and 1430. The masks will be transported to the PHF and distributed to the four geographic bureaus; who in turn will distribute to the Areas. PCG personnel (Director Rubenstein and Hector Guzman) are working on the public media campaign/messaging strategy to inform the public that the officers will be out in the community this weekend, in places frequented by a large number of people, warning people that are not wearing masks and distributing the masks to them, in order to underscore the importance of social responsibility, cooperation, and COVID-19 prevention.

Please let me know if you have any questions.

DOMINIC H. CHOI, Deputy Chief
Chief of Staff
Office of the Chief of Police

Dom, Brian

As we refine the donation of the face coverings, Jeff Gorell has identified they have 100k+ K95 masks that are available to distribute to the public as part of our ongoing education efforts and obtaining compliance with LA County Health Department requirements.

Can you work with Jeff on the mechanics to acquire and ensure a robust campaign to distribute in advance of the Commissioner Soboroff initiative. Jeff did identify an alternative to the Police Foundation acceptance of donation may be to get support from the MayorÂ’s Fund.

Let me know how this progresses.

Mike
